

Class Descriptions

- **Dance Fusion /Zumba**– Let the music move you! Try the aerobic/Zumba dance alternative. You can achieve total body conditioning while dancing, singing and laughing!
- **SilverSneakers® Circuit** – Combine fun with fitness to increase your cardiovascular and muscular endurance power with a standing circuit workout. Upper-body strength work with hand-held weights, elastic tubing with handles, and a SilverSneakers® ball is alternated with low-impact aerobic choreography. A chair is used for standing support, stretching and relaxation exercises.
- **SilverSneakers® Classic** - Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities for daily living. Hand-held weights, elastic tubing with handles, and a SilverSneakers® ball are offered for resistance. A chair is used for seated and/or standing support.
- **SilverSneakers® Yoga** – A special yoga class in which you learn gentle, effective stretching that can help maintain joint flexibility and prevent injury. Stretching can also improve muscle tone and help you relax, both physically and mentally.
- **SilverSneakers® Stability** – This class includes exercises to remain safe on our feet. Balance and factors that influence balance are addressed including muscular power, speed, agility, coordination and flexibility.
- **Zumba Gold®** - Easy to follow program that lets you move to the beat at your own speed. It's an invigorating dance-fitness class that feels fresh and most of all exhilarating! Classes provide modified, low impact moves for active older adults.
- **Power Cycling, Cycle Craze, Energize Cycling and Cycle Express** – Ride to the beat of the music. Class includes a warm up and stretch component. Spaces are limited!
- **Cardio Cycling** – This is not your typical spin class. The class will periodically stop the ride and will do a variety of exercises.
- **Beginner Cycling** – Learn bike set up and proper form. Ride for one half hour to become accustomed to indoor cycling.
- **Tai Chi – Qigong combination** – Early emphasis is on Qigong internal energy work. Beginner's class teaches 22-24 moves. Focuses on breathing, balance and coordination.
- **Pilates** – A series of graceful, controlled exercises integrating flexibility, strength, precision, breath, flow of movement and body awareness. Improves strength, flexibility, posture, endurance and metabolism.
- **Restorative Yoga** – A yoga method using long hold times to open the body in a more passive way integrating mind/body/spirit. Level 1-2
- **Gentle Yoga/"Your Yoga"** – An eclectic mix of easy yoga postures to integrate balance, strength, stamina, rejuvenation, and relaxation. Level 1-2
- **Yoga Flow** – Connecting movement of each pose with breath to build endurance, flexibility and strength. Level 2-3
- **Yogalates** – A Yoga class for all levels with the benefits of adding some Pilates core strengthening exercises.
- **Yoga Fitness** – This dynamic, full body toning class will incorporate yoga techniques and bodyweight exercises to help you reach your fitness goals. Great class to promote strength and flexibility.
- **Cardio Fitness** – Something new every week to keep things exciting. This class is fun and fast paced. You will do everything from Dance/Step Cardio to beginner Martial Arts training.
